

ARUN VIEW GOLF SOCIETY 2018

The Arun View Golf Society is entering it's third year in 2018. We currently have 21 members and new members are always welcome to join. Further information about the society and membership can be found below.

Meetings

We have 8 meetings a year, held on the last Wednesday of every month from February - September. For the past two years we have had an 'away' trip to Spain in October, and will likely have another trip in October 2018 with the venue tbc. Details of the courses for the 2018 year can be found below. Where there is a gap means the course hasn't yet been finalised.

Each meeting consists of a package of full english breakfast, 18 holes of golf, A 1 course meal after golf and then the results and prize giving.

We hold a season long league which will consist of your 6 best scores out of the 8 games possible, with prizes for the top 3 and various other prizes given out at the end of season presentation evening.

Costs

Each golf day is charged to members at £50 per day which will include a full English Breakfast, golf and an evening meal. Monies will be due on the day in cash. This does not include the costs of any buggies required.

Handicaps

All existing members have their handicaps carried over from the previous season. New members handicaps are taken on a trust factor (any wildly inaccurate handicaps may be changed).

The aim of the society is to try and give everyone an equal chance of winning through the course of the season and the following rules apply:

Handicap changes after each game:

Winning the golf day - Cut 1

Scoring over 19 on any nine – cut 1

Scoring over 36 on any 18 – cut 1

Scoring over 40 on any 18 – cut 1 for scoring over 36 and cut 1 for every point over 40

Scoring under 20 on any 18 – up 1

Prizes/Trophies

On Each Day there are prizes for the top 3 scorers and prizes for nearest the pins on par 3's.
